EVERYONE'S SAFETY MUST BE EVERYONE'S CONCERN

The **driving speeds** of many vehicles, while on the Villages of Summerfield Condominium Association property, are very frequently exceeding the posted signs of **15 MPH**. In addition, drivers are not observing the posted **STOP** signs at intersections.

These practices are a growing concern, especially now that the weather is nice; and people are outdoors more, either walking or driving.

Everyone's adherence to the posted signs and traffic laws is a **MUST** to insure the safety and well-being of all.

Repeat offenders are subject to violation hearings and fines per occurrence.

Thank you for your understanding and cooperation.
